I started researching the Titus family genealogy in 1951 or 1952. I was living in Grand Rapids, Michigan then and working for Lear Incorporated as a Draftsman. I had married Helen Marie Hoffman of Chicago on September 17, 1949. Our first child Clifford Gordon Titus was born in Grand Rapids on November 19, 1951. As a result of Helen's pregnancy with Clifford, Helen had a relapse to Tuberculosis. It was our good fortune that Grand Rapids had an outstanding Tuberculosis Sanitarium and Helen was addmitted to Grand Rapids Sunshine Sanitarium. After Clifford was born his Grandmother Hoffman came from Chicago and took him home to Chicago where he lived for the first year of his life. I moved into the Grand Rapids YMCA. I found that I had a lot of time on my hands in the evenings after visiting Helen at the sanitarium I would visit the Ryerson Library next door to the YMCA. In the Ryerson Library I found a book entitled "Titus Family In America - Eleven Generations Of The Direct Line from Robert I to Dorothy M. Titus And Bursley H. Titus" compiled by
Dorothy M. Titus and edited by Percy Hobart Titus. That wonderful book fired my interest in the Titus Family genealogy. Years ago I learned that about five copies of that book were distributed in Libraries in the United States. I believe that one copy exists in the Sutro Library in San Francisco and I hope that one still exists in the Ryerson Library. The pictures in that book so resembled pictures of my Titus uncles and my one Titus aunt that I was astounded. The similarity and the constancy of Titus features still amazes me, even between members of widely separated Titus lines. I believe that using the Titus genealogy and the tools of DNA testing a very interesting study could be made. In 1989 I published a book entitled "Good Ole Bob!" which was a genealogy of my branch of the Titus family. The title refers to Robert Titus who many of us claim as our first ancestor to come to the colonies in America. I published 200 copies and most all of them have been sold or distributed in libraries. I have about 8 copies remaining. I made many errors and omissions in the book and I would like very much to put out a revised and expanded issue, but that is probably not likely. Now that I have a computer I could do a much better job. My interest in the family continues and I would like to correspond with anyone with similar interests. I am especially interested in the following sir names: Lesley/Leslie, Bowen, Woodcock, McQuone, McKee, Sprague,Wickland/Wicklund, Carr, Farmer, Aquino, Butz, Moore, Velasquez, Navarro, Pinaire, Struble, Huelskamp.

- Leslie Dress Tartan (4 KB)
  Grandmother Titus was a child of Samuel H. Lesley. Lesley is sometimes written as Leslie. This is my basis for claiming Scotish ancestory. Recently my sister Lowaine Farmer gave me a necktie made from the Leslie Tartan. I'm very proud of that tie.

  Actually we are both better looking than this picture.

Dear Marv,

I was thrilled to receive all the wonderful Conner information you sent. Due to snow, ice, etc. or commitments on my days off, I haven't done much research lately.

The enclosed will and probate packet for James Conner is from microfilm at the Xenia Library in Greene Co., Ohio. In the typed copy of the will in item 3rd there is an error---name John was omitted in "my son Conner". There were a few pages I did not copy that were just affidavits for witnesses.

If you want something from Greene Co. just let me know as I'm at the Xenia library a lot. The court house is directly across the street but most all of their records are on microfilm at the library in The Greene County Room which is headed by Julie Overton, a past president of the Ohio Genealogical Society. I will check the deeds later this week for a deed from James Sr. to James K..

Since you have not corresponded with Freda Stramps, I'm enclosing copies of all the material she sent me. Hopefully some of it may be different than what Verna Rosacrans received and sent you.

Thanks again for sharing all your great records.

Sincerely,

Carole

Sorry this looks so strange — the printer is cutting off the tails of letters!

Do you need a copy of the 1773 will and probate records for Ezekiel Rose?

Dear Carole,

I received your latest package of good material. I am just thrilled to have the probate material concerning James Conner, Sr. Those who have done research in Greene Co. OH on him certainly missed it and I guess when I requested his will from the Greene Co. Gen. Soc. they did not think it important!

I have copied everything I have on the Charles Rose family of Hunterdon Co. NJ to Monongalia Co. VA. I do have a few more items on some of the grandchildren, but it is only notes at this time and not typed on sheets, etc. Some of the material came from descendants and I have not tried to prove their material to any extent. I have added some marriages from vital records and some census records. Further proofs are certainly needed for Rachel Rose m Benjamin Lewellen; Rebecca Rose m Jacob Franks; and Freelove Rose m William Bowen. No marriages have ever been found for them, which does not surprise me. Since the Roses lived on the PA border, I believe most of their children (and the Conner bunch) were married in PA...no records available.

Now to Ezekiel Rose and Mary Fidler of Hunterdon Co. NJ...I have a typed copy of Ezekiel's will (an extract only). I do not have a copy of John Fidler's will. I would appreciate a copy of those if you have them available.

Many years ago a man by the name of Fred Rose did a lot of work on the Rose family of Block Island (I do not have his work and do not know where it is located). He assigned our Ezekiel of Hunterdon Co. NJ, John Rose of Salem Co. NJ and James Rose of Cumberland Co. NJ as children of John Rose and Mary Dodge of Block Island, RI. I do not know how he reached his conclusion, but there seems to be nobody who has any proof that Ezekiel was the son of John Rose and Mary Dodge of Block Island. After John Rose died (his will dated Dec 1720, Block Island, RI), his widow Mary Dodge Rose m Oliver Ring on 11 Aug 1725. The will of Mary Dodge Rose Ring is dated 28 Jan 1751. She deposes that she is a widow of New Shoreham, Newport Co., RI. She leaves to her son Ezekiel, four cows, one mare and a note on Nathaniel Dodge. Her daughter Anna is named "sole executor". Anna is to give Ezekiel of New Shoreham his share "no faster then she shall think he needth it". If Ezekiel was of Hunterdon (he was there in 1749 as a witness) why did Mary call him of New Shoreham, where she was a resident? I am enclosing a copy of Mary Ring's will.

Another Ezekiel Rose we might consider was of Long Island. Though unproven, he may be a son of Jonathan Rose and the widow, Jane Williams, who married 20 Mar 1682 (Brookhaven Town Records). The following deed dated 10 Jun 1720 (in part), Janathan Rose to Sam'E Rose, Ephraim Rose, Thimothy Rose and Esekill Rose, one hundred & sixty akers the land where Jonathan now lives on a certain neck called "ockambamack neck" (this is now the village of Bellport , Suffolk Co. LI). On 20 Jun 1720, Robert Rose sells a parcel of land, fiftene aker lots to the same four men. Robert states that the lots are now in the possession or occupation of Jonathan Rose. To follow up on the four named who purchased land from

Jonathan and Robert Rose of Suffolk Co., (Long Island) NY, can any of those men be the following:

Samuel Rose, d Burlington Co. NJ
Intestate, 1762 - Inventory, 1762 - Acct, 1768

Ephraim Rose, d Burlington Co. NJ
Intestate, 1747 - Inventory, 1748

Timothy, d Middlesex Co. NJ
Intestate, 1748 - Inventory, 1750

Ezekiel Rose, d Hunterdon Co. NJ
Will, 1768 - Inventory, 1768 - Acct, 1773

Guess we must keep looking to see if Ezekiel Rose of Hunterdon Co. NJ is a descendant of Tormut and Hannah George Rose of Block Island, RI by 1662 or of Robert and Dorothy Rose of Southampton and Easthampton, Suffold Co. (Long Island), NY by 1644. I always liked old Tormut and it was so easy to accept someone else's work even though I knew there were proofs lacking. The first step is to probably try to find out what happened to the Ezekiel of Block Island mentioned in his mother's will of 1750. Then try to find out when the Ezekiel of Long Island sold his land purchased with Samuel, Ephraim and Timothy. All four of those men disappear from Long Island records, apparently.

I am sending an address for Verna Rosacrans. Her line is:

Hopkins m Susannah Conner
Ezekiel m Rebecca McDorman
John Hopkins m Catherine Melcenia Little
Ruben John Rose m Edith B. Burley (Verna's parents)

She called a few nights ago and we talked over an hour. She has your address, but if she does not contact you, write to, Mrs. Verna Rosacrans, 7033 Foothill Loop SW, Olympia, WA 98512

Hope you enjoy the material enclosed.

Sincerely,

Mary

JOHN ROSE - was born in Mercer county, Pennsylvania, May 13, 1782. His mother died shortly after his birth and is buried in Mercer county, Pennsylvania. After the death of John Rose's mother he lived with friendly Indians until he was about sixteen years of age, then he returned to the white settlement on the Indian river in Mercer county. Where he lived for the next few years is not known but eventually he came down the Ohio river from Pennsylvania to Gallia county by flatboat. John Rose married Eda Boyce in Gallia county. He had very little formal education but was an excellent reader and also had a good tenor voice. He conducted funeral services in Gallia and Meigs counties when a minister was unavailable. He also had considerable knowledge of medicine obtained mostly from the Indians with whom he had lived. John and Eda (Boyce) Rose came from Gallia county to Sutton township, Meigs county, Ohio, in 1818 settling on Bowman's Run. (What is now known as the Will Krider farm). John Rose was the father of fifteen children. Seven by his first wife and eight by his second wife. Eda (Boyce) Rose died in 1828 and is buried on Bowman's Run.
John Rose is listed on page 19 in Larkins Pioneer History of Meigs County as one of the first pioneer families settling in Meigs County ~~on Bowman's Run~~, formerly living in Gallia County.
John and Eda (Boyce) Rose were the parents of the following children:

Charles, the oldest, lived in Cincinnati. He died when he was a young man and is buried in Cincinnati.

It is now known as the Bald Knobs cemetery.

RACHEL ROSE MCELROY

RACHEL ROSE - born December 13, 1836, married George Washington McElroy in 1858. George W. McElroy was the first man in Racine to volunteer in the Enrollment of the Home Guards in the Civil war. He enlisted in Racine, Ohio, June 22nd, 1863, at the age of 27. He died in the winter of 1863 of lung fever contracted while standing guard near Chester, Ohio, for two days and nights during Morgan's raid into Meigs county. He had attacks of malaria fever before enlisting in the Home Guards. George W. McElroy made his living by poling flatboats down the Ohio and Mississippi rivers to New Orleans. The boats going down the rivers were loaded with staves and hoop-poles for barrel making, he also sold the lumber in the flatboats in New Orleans. He brought up the rivers raw sugar, green coffee, spices, pepper and lemons to be sold in Racine and the neighboring country-side. He worked on packet boats for his passage upstream. If he did not have any merchandise to carry back on the return trip he would walk from New Orleans to Racine by the way of the Natchez Trace, making better time than the loaded packet boats traveling upstream.

George W. and Rachel (Rose) McElroy were the parents of three daughters. Kate, born December 1859, married Augustus Bell. They had two children; Enid, married Dr. Gilbert Rich, and Augustus, Junior. Augustus Bell, Senior, died in 1893, becoming ill at the Chicago World Fair. Kate (McElroy) Bell married for her second husband, a civil war veteran, by the name of Wolfe. - Enid died 1931

When General John Morgan's raiders were in Meigs county, Ohio, on July 2, 1863, a young Confederate soldier was severely wounded . With all that has been written about Morgan's raid in Meigs county, this incident was never mentioned. Evidently he was separated from the band of raiders and became lost. He had made his way to Racine and was found hiding by some of the men returning from Chester, Ohio, where they had been standing guard. Rachel Rose McElroy took him into her home and cared for him until he died. He is buried on the hill above Bowman's Run on the Rebecca Cotterill farm in a private burying ground. He was from Tennessee.. Rachel McElroy wrote to his family telling them where he was buried. He was sixteen years of age.

The JOHN ROSE Cancer Cure.

Dig and clean a good sized kettle of Burdock roots. Cook well done and mash fine. Add one tablespoon of Black Pepper, one tablespoon of Gunpowder, one tablespoon Raw Sulpher, one lump of Blue Vitrol as large as a big bean, one teaspoon of Copperus. Mix with the Burdock roots and boil together until as thick as stiff molasses. Spread thin to cool. When cold and hard pound until it is a fine powder. Mix powder with unsalted grease to make a poultice and place on cancer. Keep growth poulticed until it is killed and dried up - usually turned black in color. Carefully lift out with the point of a penknife.

This cancer recipe was used to remove the five-rooted cancer from the shoulder of Melissa (Hover, Jones) Nichols in about the year of 1890. Estella (Rose) Holter, granddaughter of Melissa Nichols remembered seeing her father, Henry Rose, life the growth from her grandmother's shoulder with his knife.

The above recipe was in John Rose's writing, in possession of his daughter, Rachel(Rose) McElroy, which she still had in 1935.

Dear Mrs. Jones:

A friend and Showalter researcher has recently given me a copy of your excellent article, The Search for Showalters, published in the Mennonite Family History, Vol. III, No. 4, October, 1984.

I have just discovered a Showalter line in my family research. Jotham Rose (1820-1901) married Elizabeth Ann Remley (1820-1910). The parents of Elizabeth Ann, born in Fayette Co., PA, were Emanuel Remley and _____ Showalter.

In the 1850 census of Monongalia Co. VA, Immanuel Remley, age 75, is listed without a wife. I can only presume that _____Showalter Remley, wife of Emanuel, died prior to 1850.

I am very anxious to find the given name of Elizabeth's mother. If you have an idea of how I might discover her name or know someone researching the Showalters of Fayette Co. PA, I would be grateful for any information.

Enclosed is my SASE for your convenience to reply and a copy of the death certificate of Elizabeth Ann Remley Rose who is buried in Union Cemetery, five miles east of Memphis, Scotland Co. Mo.

Thank you for your assistance.

Sincerely,

Mary R. Nunneley

Dear Mrs. Nunneley,

I have only my Showalter line reasonably complete but have very little on the Penna. Showalters.

I would suggest you write to Henry S. Newman, 56 Nigeria-gale Drive, Stony Run Village, Lenner, Pa 17517. He helped me in the past several times when I needed information.

My new address please notice. Have lived here nearly 2 years.

I hope this will be of help. Why don't you just copy my address for your records & forward this to him.
